ACCOMMODATION, SUPPORT AND WELFARE ARRANGEMENTS

Primary and secondary students under 13 years of age must reside with and be cared for by either a parent/legal custodian or Department of Immigration and Border Protection (DIBP) approved relative.

Secondary students aged 13 or over can reside in accommodation arranged by their parents (either with a parent/legal custodian or DIBP approved relative) or the parents can request Balcombe Grammar School to arrange accommodation, support and general welfare.

Balcombe Grammar School does not use the term 'guardian' to refer to the welfare provider for an international student. The term 'guardian' has a distinct legal meaning which attributes significant responsibilities at law. An international student's legal guardian remains their parents (or where a student has no parents, the person/s granted lawful custody of them) irrespective of whether those persons are in Australia or not. The Balcombe Grammar School's obligations under the ESOS Act to arrange accommodation, support and general welfare for international students does not involve any transfer of legal custody to the School or any staff of the School.

- The student will be residing with a parent/legal custodian

CONDITIONS OF ENTRY

Students are admitted to the school subject to agreement by the parents to the following conditions:

1. At least one term's notice must be given in writing to the Deputy - School Operations, by the parents, before the withdrawal of a student. For example, if you wish to withdraw your student at the end of Term 4, you must advise the school prior to the end of Term 3 or one term's tuition fees will be payable immediately in lieu of notice.
2. A full term's fees will be charged if a student's place is cancelled later than four weeks before the agreed date of commencement or if the student fails to take up the place on the agreed date without four weeks notice.
3. Parents and guardians agree to abide by the regulations of the school and to support the school in the enforcement of school Rules and in the maintenance of the school's standards of behaviour at all times.
4. The school reserves the right to dismiss any student from the school without notice on the grounds of unsatisfactory conduct or failure to obey the Rules of the school or for any other reasons. 5. Changes in accommodation whilst the applicant is a student of the school must also be approved by the school prior to any change being made.
6. All students must attend school full time and in accordance with term dates. These are published prior to the end of the previous year. Any changes to this ruling can only be approved by the Deputy - School Operations before any travel arrangements are confirmed if they fall within term time. This includes outdoor education programs and end of year functions.
7. All students entering Balcombe Grammar School must adhere to Australian Government and immigration laws.
8. I agree for my personal details and my child's details to be used by the school for communication purposes (Parents/legal custodians may wish to discuss or seek clarification of these conditions prior to lodging the application).

of the student as usual. Balcombe Grammar School will immediately implement any decision and/or corrective and preventative actions required.

Students have the right to appeal the School decision to report them to the Department of Immigration and Border Protection (DIBP) for non-compliance. Initially the appeal is heard internally by the Principal.

If the internal appeal is NOT successful – student and parents are informed in writing of the reasons why the decision was made, along with the following information:

- They have 20 working days in which they may take the complaint to the independent dispute resolution service, Overseas Students Ombudsman at www.ombudsman.gov.au
- They may be assisted or accompanied by another person during this appeal.
- There will be little or no cost to this appeal.

If the external appeal is UPHeld – student and parents are informed of the outcome and schools resume monitoring

I agree / we jointly and severally agree to abide by the above conditions and to pay the school such fees and other charges as may be notified to me/us from time to time by the school, and such agreement shall be signified by the child's returning to Balcombe Grammar School at the commencement of each School term.

Where the signatures of both parents can be obtained, both signatures are required.

GUIDELINES

Age

To ensure that our international students are able to integrate socially into our school community, all applicants must be of the appropriate age to enter the year level for which they are applying. Therefore, students twelve months older or six months younger than the local students cannot be admitted to the program.

Students under 13 years of age must live with and be cared for by a parent/legal custodian or DIBP approved relative. School students over 13 years of age can live with their parents, relatives or in nominated third party homestay or homestay accommodation.

Academic Requirements

Students must show that they have been consistent in their academic studies over a two-year period. As a guide, students studying English as a second language should be achieving a 90% average. Students should average 80% in all other subjects.

Balcombe Grammar School will evaluate the student's level of English proficiency via an Academic Test, via the agent or in person if possible. This test also gives indicators relating to the student's capacity to study in Mathematics and their general academic potential.

It is important that parents and students realise the need for high level English skills at the senior levels in all subject areas, including Mathematics and Science.

For direct entry into Year 11, IELTS 5.0 is required, otherwise students must be enrolled in an English preparation course.

Visas

International students studying in Australia are required to hold a student visa. For studies at school level, the relevant visa subclass is 500.

This visa is awarded in conjunction with a study place, and the particular education provider must be named. In this instance, the education provider is Balcombe Grammar School, CRICOS Provider Code 03381B.

We recommend that visa applications be made with the assistance of an approved Balcombe Grammar agent.

Further information including the conditions of the student visa and application forms are available from the DIBP website www.border.gov.au.

Legislative Authority

The Australian Government is committed to ensuring you have a great education experience in Australia. The ESOS Act and related laws protect international students through:

- The ESOS legislation and recent reforms
- The National Code
- The Overseas Students Ombudsman
- The Tuition Protection Service
