About the Street Team

We set up a range of fun activities around the Peninsula including local Skate Parks, Community Centres and other sites where young people hang out.

The activities we run include sporting games, art and craft activities, board games, chill out spaces, music and refreshments. We use these opportunities to engage with local young people, family groups and community members to facilitate and promote activities, programs and supports for young people aged 10 – 17 years.

Drop In

Drop In is for young people aged 10 – 17, and will be open between 10am – 1.30pm and 2pm – 5pm throughout the holidays (as outlined on the other side of this flyer). A range of activities will be available during drop in sessions, and it's all free!

Excursions

We're running two excursions these holidays:

- Melbourne Zoo, Thursday 28 September
- Luna Park, Wednesday 4 October

Bookings are essential!
