Fun Reading  Reading for Life

Our mission is to make

# Dogs make reading FUN!

Story Dogs is a reading support program where selected children read to an accredited dog and its handler.

Reading takes place in a quiet area of the school such as the library or verandah outside the classroom. Sessions run for 20 minutes, where each child is one-on-one with the Dog Team.

The books used in the program are suitable for each child's reading level, are engaging and inspire children to read for enjoyment and knowledge.

## When children read to a dog the outcomes are amazing:

- They have FUN
- They are not judged
- Their focus improves
- Their reading skills increase
- Their confidence soars

## The Dogs

All breeds, except for restricted breeds, can be assessed to be Story Dogs. The dog's temperament, obedience and willingness is of utmost importance. The safety of the children is paramount.

Dog Teams must pass an accreditation by a certified dog trainer as well as being immaculately groomed, vaccinated and vet checked.
